Sparrow Wine and Liquor Co. will host its 16th consecutive Annual Grand Tasting on November 15, which will benefit community nonprofit FAITH services, a local agency that offers support to HIV-positive individuals. The agency is affiliated with Hoboken University Medical Center and offers services including primary care, blood work, referrals for dental or eye care, medicines, education, support groups, and a weekly visiting mental health specialist. The event will take place at the Westin Hotel in Newport, Jersey City, and will offer foods from 25 restaurants as well as more than 200 fine wines and liquors.
