Sun Sentinel reported that Genesis Community Health, a nonprofit health clinic in Boynton Beach, Fla., together with Families First of Palm Beach County and Pathways to Prosperity, will provide free HIV testing on December 7 from 10:00 a.m. to 3:00 p.m., in honor of World AIDS Day. Genesis will offer free medical services, including HIV rapid testing that takes 15 minutes, HIV/AIDS education, and physicals, as well as a consultation with a health provider. DeAnna Warren, Genesis Community Health CEO, defined the goal as to target the Boynton Beach community and provide HIV/AIDS education and HIV testing, as well as spark dialogue about stopping the spread of HIV/AIDS among all populations. The screening will be at St. John Missionary Baptist Church, 900 North Seacrest Boulevard, in Boynton Beach.
